Dear Mr. Fowler:

You will find, herewith, a copy of the test hole data as compiled by So-Deep, Inc., on the above mentioned project. Please incorporate this information in the plans as directed by the I&I Memorandum Number LD-86 (D) 140.3, and furnish the Department reproducible tracings, no later than August 1, 1986, to be used for the Utility Field Inspection.

If there are any questions or you need additional information, please advise.

Sincerely,

H. M. Shaver, Jr., State
Location and Design Engineer
